

Business Overview - Meta Advertising Services

About My Work

Professional Focus: Freelance Growth Marketing Consultant

Digital Footprint: [Visit my website](#) | [LinkedIn](#)

Approach: Collaborative partnership with specialised Meta advertising experts

I work as an independent freelance growth marketing consultant, focusing on delivering results-driven Meta advertising campaigns. Rather than operating as a large agency, I prefer a more personal approach, working directly with clients while collaborating with experienced Meta specialists to ensure you receive expert-level campaign management. This means you get dedicated attention without agency overhead costs.

Our Meta Advertising Expertise

Core Meta Advertising Capabilities

- Facebook & Instagram campaign setup and optimisation
- Audience research and targeting strategy
- Creative development and A/B testing
- Campaign performance analysis and reporting
- Budget optimisation and ROAS improvement
- Conversion tracking and pixel implementation

Key Team Specialist Profile

I collaborate with experienced Meta advertising professionals, including a senior digital marketing specialist with:

Background: 10+ years in digital marketing with extensive Meta advertising experience

Key Qualifications:

- Managed \$20M+ in annual digital marketing spend across multiple channels
- Specialised in Meta ads, programmatic advertising, and performance marketing
- Proven track record with both B2B and B2C campaigns
- Experience with CRM integration and marketing automation
- Strong background in data analysis and campaign optimisation

Our Previous Work Examples
